

REQUEST FOR RECONSIDERATION
U.S. Application No.: 08/458,019

CONCLUSION

Applicants have taken substantial steps to advance prosecution of the instant application. At the Interview it was uncovered that the relevant Rule 132 Declaration which would overcome the 35 U.S.C. § 112, first paragraph rejection had not been properly matched up with the file. Applicants have been severely prejudiced by that misfortune and thus, respectfully request that the Examiner expediently examine the instant application and provide early notification that the instant claims are allowable.

Applicants petition for any extension of time which might be required to maintain the pendency of the instant application. Any fee for such petition is to be charged to Deposit Account Number 19-4880.

If any questions or issues remain, the Examiner is urged to contact the undersigned at the local exchange noted hereinbelow.

Respectfully submitted,

Dean H. Nakamura
